ANTI-AGEING LUBRICANTS FOR ALL APPLICATIONS

www.dewaninternational.com

QUANTUM MAXPOWER

Quantum Maxpower 15w40 CI-4 & CH-4 is an Ultra High Performance oil designed to meet the most severe performance requirement of the last output . It is an ideal mixed fleet Engine Oil Meeting the API level . The additive chemistry used in manufacturing Diesel Maxpower CI4/CH4 has proven its performance in the field.

15W40 CI-4 & CH-4

QUANTUM MAXPOWER SUPER SYNTHETIC DIESEL

Quantum Maxpower 10w40 Diesel is an ultra High Quality Synthetic Technology Lubricants for the High Speed Diesel Engine Oil to meet the designed Automotive Fleet Performance.

The Product has the Capability of Extended Oil Drain Intervals and Increase the Life of the Engine .

10W40

QUANTUM SUPER SYNTHETIC FOR GASOLINE ENGINE

Quantum Super Synthetic having excellent wear protection and fuel economy with excellent deposit and sludge control for engine cleanliness. In any environment enhanced high and Low temperature performance for gasoline engines.

5W30 SN & 5W20

QUANTUM POWER PLUS

Quantum Power Plus new Generation of Automotive oil based on Revolutionary concepts meetings the Performance Levels Requirements of the Today's Gasoline Engines.

Power Plus Series are Blended with the most Advanced Additive Package, Which Enables it to give exceptional Performance under most severe operating Conditions and its recommended For Gasoline engines, which required API SL quality Oil .

20W50 & 10W30 SL

QUANTUM PEARL HYDRAULIC OIL

Quantum Hydraulic Oil series are blended from high quality, Chemically stable solvent refined base oils & incorporated with balanced additive system which include anti wear and oxidation inhibitors .

10W,37,46,68

QUANTUM LUBRICANTS , The Most Advanced Lubricants

QUANTUM TOPAZ GEAR OIL

Quantum Topaz Gear Oil GL4 is a high quality Lubricant Blended from Solvent Refined Mineral Base-Oils and Selected Chemical Additives. It also Provides Protections against Foaming Of Oil , Wear and rusting Gears. Meets the Manual Transmission Fluid With Outstanding Extreme Pressure and Anti-Wear Performance.

SAE 90/140 GL-4

QUANTUM TOPAZ GEAR OIL

Quantum Topaz Gear Oil GL-5 Series for Heavy Duty Extreme – Pressure Multi grade Oil, Developed to Meet the most Severe Service requirements of Manual Transmissions in Automotive Vehicles and Meets the Manual Transmission Fluid Specifications of Major Automakers

SAE 80W90/85W140 GL5

QUANTUM AUTOMATIC TRANSMISSION FLUID

Quantum Automatic Transmission Fluid III is a high Performance Multifunctional Fluid requirements of the Modern Vehicles. Also meet the Hydraulic Fluid Requirements of certain Industrial and mobile Equipment's

ATF III

QUANTUM INDUS GEAR OIL

Quantum Indus Gear Oil is High Quality Bearing Lubrication Oil Blended with solvent treated Base oils and selected Chemical Additives And Recommended for All Journal Bearing Lubrication mainly in rail road Equipment's.

EP 150, 220

QUANTUM JASPER GREASE

Quantum Hydraulic Oil series are blended from high quality, Chemically stable solvent refined base oils & incorporated with balanced additive system which include anti wear and oxidation inhibitors .

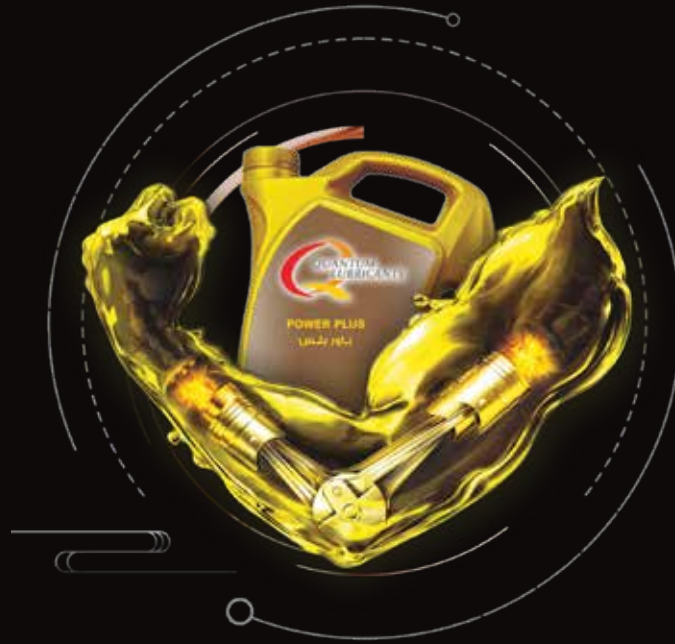

(MP&EP)NLGI-2/3

WELCOME TO THE WORLD OF QUANTUM LUBRICANTS

We comprise of a team of high caliber and qualified professionals who have joined us to take this product beyond the boundaries of Saudi Arabia to other parts of the world.

The products are blended out of virgin base oils from Lube-Ref, ARAMCO, which is well known for highest quality of crude oils and manufacturers of high volatility and low sulfur bases oils in the whole world. Quantum lubricants Products are blanding from largest plant of Saudi Arabia. Our manufacturing involves highest standards of raw materials, additives and base stock. The products are tested and meets the requirement of API.

Quantum has been established as a premium brand in the Middle East and now we are opening our doors to Asia and Africa and look forward to have a mutually beneficial business relationship with you.
